Karl - We learned yesterday that MDNR is planning to send a letter to Republic probably on Tuesday seeking more frequent temperature data and requesting Republic put forth other ideas to impede progress of the SSE. Region 7 and ORD had a good, substantive discussion with MDNR yesterday about the SSE and the need for additional data from Republic. Mary Peterson was on the call with us and is working with Curtis to be prepared to respond to any media inquiries that may come as a result of MDNR's letter if and when it is issued. No action needed from you, just wanted you to be aware.
